Chemawa Indian School On-Campus Visitors Policy

Chemawa Indian School encourages parental involvement in the educational process of their children and community involvement to support students. To promote student achievement we ask that students not be removed during the academic school day unless it is due to an emergency. Please limit visits and check outs to after school or on the weekends.

To provide for the safety of our students Chemawa is a closed campus. All visitors to Chemawa Indian School who are 16 years or older must present a photo ID in order to enter campus. Additionally, all drivers must present a valid driver’s license to gain entry. Visitors and former students are welcome to attend events such as Pow-Wows, athletic contests and other events open to the public on campus. However, as a closed campus, former students and visitors will not be allowed access to campus other than at public events. In special circumstances visitors may be approved in advance by the superintendent.

For official school business all visitors, including family members, must report to the Business office and check in to obtain a visitor pass. The hours of operation are Monday through Friday 8am to 4pm. All Visitors must be escorted by a school staff while on campus, or be in a designated visitor area when visiting with our students.

visitors on campus after 4pm on weekdays and during weekends will check in with the Dormitory reception for a visitor pass. These visitors must stay in the dormitory lobby and be under direct supervision of Chemawa staff unless a background check has been completed.

We appreciate your understanding and adherence to this policy as we strive to provide our students with the best educational opportunities possible while keeping them in a safe and healthy environment.

Lora Braucher
Superintendent
